

# Delivery Driver and Plant Installation Specialist

Do you love getting out in the open and connecting with the earth? Making gardens beautiful and working in the fresh air? If your perfect day is digging holes, planting trees, and standing back to marvel at the beauty that you created, then a job on Kerby's Installation Team might be right for you.

We'll teach you how to plant trees, shrubs, flowers, and everything in between. We'll show you the right way to do it, the Kerby's way, with good rich soil and a smile on your face.

## **Qualities We Look For:**

- You consistently go above and beyond what is expected of you
- You're friendly and personable - you enjoy meeting new people & delivering great customer service
- You're in good shape and energetic - not afraid of hard physical work and a challenge
- You're dependable and hardworking - you want to be part of a great culture of like-minded, fun people
- You're a good communicator, problem-solver, and very organized

**Position:** Full-Time
